Head Coach Robin Selvig

Robin Selvig took over a struggling University of Montana women's basketball program and immediately turned it around. He is the only basketball coach in the school's history to win 100 games in his first five season. His five-year record was 102-40.

Selvig's career record is 151-54 (7 seasons) and that gives him a 73.7 winning percentage which is the best of any UM basketball coach ever.

Selvig has won two straight WBCA (Women's Basketball Coaches' Association) District VII Coach of the Year awards. He was also selected as Conference Coach of the Year for three consecutive seasons (1982-84).

The emphasis is on defense on Selvig's teams. The Lady Griz led the nation's Division I teams in scoring defense during the 1981-82 and 1983-84 seasons. UM was also nationally-ranked in defense in 1982-83 and 1984-85.

Defense was also important to Selvig when he played guard for UM in the early 1970's. His senior year (1974), he was selected as the team's outstanding defensive player. He was also a second-team All-Big Sky Conference choice and won the University's top athletic award, the Grizzly Cup.

He received his bachelor's degree in health and physical education from UM in 1974.

Before taking over the Lady Griz basketball program, Selvig was the head girls' basketball coach at Plentywood High from 1975 to 1978.

Robin and his wife Jane have two sons: Jeff, 5, and Dan, 2.

Assistant Coach Annette Whitaker

Whitaker is in her fifth season as an assistant coach with the Lady Griz basketball program. She served as junior varsity coach her first two seasons. She assists Selvig with all coaching duties—game strategy, scouting, recruiting, etc.

Prior to joining the coaching ranks, Whitaker was a two-year starting at the point guard position for UM.

Annette was also a basketball standout at Cashmere High and Wenatchee Valley College.

She received her bachelor's degree in health and physical education from UM in 1982.

Student Assistant Coach Anita Novak Selvig

After finishing up an outstanding Lady Griz career last spring, Anita Novak Selvig is in her first season as a student assistant coach.

Anita is UM's third-leading career scorer (1,158) and second-leading career rebounder (791).

She is finishing her bachelor's degree in health and physical education.

Her husband, Doug, is a former Grizzly basketball standout and a graduate assistant coach with UM men's basketball team.

The Outlook

When asked what to expect from his 1985-86 team, University of Montana women's basketball coach Robin Selvig just shakes his head and says "that's a good question."

Selvig, who is 151-54 in his seven seasons with the Lady Griz, said he has a lot of questions in his mind because of the team's youth. There are five freshmen, five sophomores, three juniors and just one senior on the roster.

"With a team this young, you have to wonder how things are going to come together. We have a lot of good, young talent but we'll have to wait to see how we gel," Selvig said. "The returning sophomores all got quite a bit of playing time last year so that should be a big plus. And the newcomers are the type of players that I think will be able to contribute right away.

"We also have three proven veterans in Sharla (Muralt), Margaret (Williams) and Natalie (Streeter). We'll be counting heavily on their leadership with all the young players we have," he added.

UM lost two all-conference players—Barb Kavanagh and Anita Novak—from last season's 22-10 squad, but has seven letterwinners returning and six talented newcomers. Also, Williams will be back after missing last season with internal injuries.

"Our depth should be much better this year. We only played seven players in some games last year, but this year we should go at least 10 deep," Selvig said. "Also, the competition for starting spots and playing time will be as intense as it's ever been. Coming into practice, I have more questions about starting jobs and who will play where than I have before."

One starting position that really isn't in question is at center where Muralt, an all-conference and all-district selection, returns. The 6-foot-1 senior was UM's leading scorer and rebounder last season, averaging 13.8 points and 8.6 rebounds. The battle for the backup spot will probably be between 6-foot-2½ junior Laurie Strube and 6-foot-1 freshman Linda Mendel. Strube averaged 3.3 points and 1.4 rebounds in limited time last year. Mendel was a first team all-state selection as she averaged 16.2 points and 14 rebounds her senior year at Malta High. Kris Haasl, a 6-foot-2½ freshman from Florence, joins the team as a walk-on. She was an all-state selection last year at Florence High.

The forward positions will probably be the most competitive on the team with six players vying for time. The three returning sophomores—6-foot Dawn Silliker, 5-foot-11 Cheryl Brandell and 6-foot-1 Marti Leibenguth—all played a lot last season. Silliker was the starting small forward and averaged 9.1 points and 5.4 rebounds in her initial Lady Griz campaign. Brandell averaged 5.9 points and 4 rebounds while Leibenguth added 4.4 points and 3.5 rebounds a game. Both Brandell and Leibenguth could also see action at guard.

Three incoming players should push the veterans forwards. They are 6-foot freshman Jean McNulty, 6-foot-1 freshman Lisa McLeod and 6-foot sophomore Karyn Ridgeway. McNulty, a three-time all-state selection, averaged 25.5 points and 13.5 rebounds

Sharla Muralt

Outlook (continued)

a game last season at Whitehall High. McLeod averaged 20.5 points and 13.5 rebounds as a senior at C.M. Russell High in Great Falls and was an all-state pick her junior and senior years. A former all-stater from Missoula's Hellgate High, Ridgeway is joining the Lady Griz after being away from basketball for two years.

The guard situation was strengthened by the return of Williams at the point. The 5-foot-8 junior averaged 5.5 points and 2.2 rebounds as a starter during the 1983-84 season. Streeter, a 5-foot-9 junior, is the returning starter at the other guard spot. She averaged 7.2 points and 2.7 rebounds despite battling injuries and illnesses much of last season. The other returning guard is Kris Moede, a 5-foot-9½ sophomore who averaged 4 points and 1.3 rebounds last year. She won the Grace Geil Most Improved Player Award. Anji Price, a freshman from Missoula Sentinel, will give the Lady Griz added speed and quickness at point guard. She averaged 12.5 points and 6 rebounds, earning all-state honors last year.

UM has been renowned for its defense over the past few seasons, but suffered an off year, giving up 61.4 points a game last year (compared to 54.9 in 1983-84). However, Selvig expects the team's defense to return to the forefront.

"We weren't quite as good defensively (last season) as we had been. But this year, I think we'll be much better (defensively)," Selvig said. "Having Margaret back will make a big difference because of her speed and quickness. Also, last year's freshmen all got quite a bit of experience and I think they'll be better defenders."

Offensively, the Lady Griz set a school scoring record last season, averaging 70.8 points a game. Selvig said the 1985-86 team should also be strong offensively, especially on the front line. He added that UM might run a little more this season with Williams at point guard.

The schedule features three tournament appearances and single games against several good non-conference teams as well as a double round-robin within the Mountain West Conference. UM will play in its own Lady Griz Invitational, the Washington State Dial Classic and the San Francisco Sourdough Classic. Among the top non-conference foes are Washington, San Jose State, Colorado State and Wyoming.

Natalie Streeter

UM posted an 11-3 conference record to tie Eastern Washington for second place in the Mountain West behind 13-1 Idaho last year. Idaho lost just one player from the team that finished with an impressive 28-2 overall record in 1984-85 and Selvig says they are the team to beat.

"Idaho has to be the favorite. They were great last year and almost everyone is back," he said. "Eastern should also be very good again. They're especially strong on the front line, and if their guards come along, they could be even better than last year. And, I think we'll be right in the hunt. We have the talent to contend. It just depends on how the younger players do.

"Last season there was a big gap between the top three and the rest of the league. This year, I think everyone will improve and the gap will narrow," Selvig added.

The 1985-86 Lady Griz

SHARLA MURALT 44/45

Center . . . 6-1 . . . Senior . . . Missoula, Montana

The lone senior on the team, Muralt was UM's leading scorer and rebounder last season, averaging 13.8 points and 8.6 rebounds. She led UM in scoring 10 times and in rebounding 13 times last year.

Sharla was a first team all-conference selection and was named to the Kodak All-District VII team. She also received UM's Coaches' Award in 1984-85.

She ranks sixth in career scoring and rebounding with 872 points and 557 rebounds.

Muralt has career highs of 31 points and 19 rebounds.

"Sharla is definitely one of the premier player in our league," Selvig said. "She had a very good junior year. She was consistent offensively and she improved on defense. She should be ready for a great senior year."

Sharla is a business management major. Her parents are Gary and Susan Muralt of Missoula. Her younger brother, Walt, is a member of the Grizzly football team. Birthdate: 12-10-63.

NATALIE STREETER 22/23

Guard . . . 5-9 . . . Junior . . . Great Falls, Montana

One of three returning starters, Streeter averaged 7.2 points and 2.7 rebounds despite being injured much of last season.

She led the team in free throw percentage (.808) and ranked third in field goal percentage (.459).

Natalie averaged 4.1 points and 2.4 rebounds her freshman year.

She has career highs of 16 points and 7 rebounds.

"Natalie played very well after overcoming injuries last year," according to Selvig. "She shot very well from the outside and we'll be looking for her to be more aggressive on offense this season."

Streeter came to UM after earning Converse High School All-America honors her senior year at Great Falls High. She averaged 18.5 points and 8.4 rebounds that season and was selected as the recipient of the Little Sullivan Award which is given to the top female amateur athlete in the state.

The daughter of Charles and Peggy Streeter of Great Falls, Natalie is majoring in business finance. Birthdate: 10-18-64.

LAURIE STRUBE 50/51

Center . . . 6-2½ . . . Junior . . . Minot, North Dakota

Strube has shown considerable improvement in her two seasons at UM. She has good scoring ability and is working to improve her rebounding and defense.

She averaged 3.3 points and 1.4 rebounds last season and 2.1 points and 1.5 rebounds her freshman year.

Strube has career highs of 11 points and 5 rebounds.

"If Laurie can improve her rebounding and defense, she'll be a very adequate backup to Sharla (Muralt) at center," Selvig said. "She's a good scorer, and is working hard on her other skills."

Strube was an all-conference selection as a senior at Magic City Campus. She averaged 14 points and 9 rebounds and connected on 68.5 percent of her field goal attempts her senior year.

Laurie is majoring in elementary education. Her parents are Darryl and Barbara Strube of Minot, N.D. Birthdate: 1-2-65.

MARGARET WILLIAMS 12/13

Guard . . . 5-8 . . . Junior . . . Olympia, Washington

If Coach Selvig is wearing a bigger smile than usual these days, one of the reasons is that Williams is back after missing last season with injuries.

Easily the fastest and quickest player on the team, Williams was the starting point guard in 1983-84. She averaged 5.5 points, 2.2 rebounds and 3.5 assists. She also ranked second on the team in steals that season with 59.

Margaret averaged 4.1 points and 1.2 rebounds as a freshman.

Her career highs are 17 points and 5 rebounds.

"We're very happy to have Margaret back. I expect her to make us a better defensive team because of her speed and quickness as well as her toughness on defense," Selvig said. "She also has outstanding lead guard skills. We need her to take over Barb's (Kavanagh) leadership role and I'm confident that she will."

A political science major, Margaret is the daughter of Bill and Ruth Williams of Spokane, Wash. Birthdate: 5-15-64.

CHERYL BRANDELL 32/33

Guard-Forward . . . 5-11 . . . Sophomore . . . Olympia, Washington

Brandell came on strong at the end of last season and played especially well in the Women's NIT, scoring 27 points and pulling down 17 rebounds in that three-game tournament.

She ended the year averaging 5.6 points and 4 rebounds a game. She had season highs of 14 points and 10 rebounds.

She is a versatile performer who could play either of the guard positions or small forward.

"Cheryl is a very talented basketball player," Selvig said. "Her basketball skills are as good as those of anyone in our program. She has all the tools to be a complete player. She can handle, pass, shoot and rebound."

Brandell was the MVP of the Black Hills League her junior year at Olympia High as she averaged 18.5 points and 12.3 rebounds. However, she missed her senior year because of a knee injury.

Cheryl's parents are John and Helen Brandell of Olympia, Wash. She is an elementary education major. Birthdate: 6-18-66.

MARTI LEIBENGUTH 14/15

Guard-Forward . . . 6-1 . . . Sophomore . . . Missoula, Montana

One of the most versatile players on the team, Leibenguth is expected to see action at both forward positions and possibly big guard.

She averaged 4.4 points and 3.5 rebounds last year and had season highs of 13 points and 7 rebounds.

"Marti's extremely versatile and is our most aggressive player," said Selvig. "She has a chance to become a great defender because of that aggressiveness. She also has good offensive skills; she's a good handler, shooter and passer. She played very well at the end of last season and we're expecting that to carry through to this year."

An outstanding all-around athlete, Leibenguth placed fifth in the javelin at the conference track meet last spring. Earlier in the season, she set a school record of 160-1 in the javelin.

Leibenguth was a first team all-conference and second team all-state selection her junior and senior years at Big Sky High. She averaged 12.1 points, 5.6 rebounds, 6.3 assists and 6 steals from the point guard position as a senior.

A general studies major, Marti is the daughter of Martin and Virginia Leibenguth of Missoula. Birthdate: 10-13-66.

KRIS MOEDE 40/41

Guard . . . 5-9½ . . . Sophomore . . . Missoula, Montana

The winner of the first Grace Geil Most Improved Player Award, Moede averaged 4 points and 1.3 rebounds last season.

She is a very good shooter, hitting on 50.6 percent of her field goal attempts, and has worked very hard on her guard skills.

"Kris is an outstanding shooter. And, she really worked hard on making the transition from forward (which she played in high school) to guard and showed a great deal of improvement on both ends of the floor," Selvig said. "If she continues to improve her guard skills, she'll definitely be in the picture for playing time."

Moede averaged 18.2 points and 10.2 rebounds her senior year at Big Sky High. She was a four-time all-conference pick and a two-time all-state selection. She also earned Carnation High School All-America honors as a senior.

Kris is majoring in health and physical education. Her parents are Tom and Arlene Moede of Missoula. Birthdate: 9-8-66.

KARYN RIDGEWAY 20/21

Forward . . . 6-0 . . . Sophomore . . . Missoula, Montana

Ridgeway was recruited by several schools, including UM, when she was a senior at Hellgate High two years ago, but she decided not to pursue athletics.

After two years in the music program at Northern Colorado, she returned to Missoula and joined the Lady Griz basketball team as a walk-on.

Ridgeway won all-conference and all-state honors her junior and senior years at Hellgate. She was also the team MVP and Most Valuable Defensive Player as a senior. She has won the Most Valuable Offensive Player award her junior year.

"Karyn is a very good athlete and she will give us good speed and quickness at forward," Selvig commented. "She has good offensive skills and has the athletic ability to be a good defender. We were very interested in her when she was in high school, but she decided not to pursue athletics at that time. We're glad she has decided to give it a try now."

The daughter of Clark and Donna Ridgeway of Missoula, Karyn is a biology major. Birthdate: 11-20-64.

DAWN SILLIKER 42/43

Forward . . . 6-0 . . . Sophomore . . . Whitefish, Montana

One of the few players to start for the Lady Griz as a freshman, Silliker averaged 9.1 points and 5.4 rebounds last season.

She was the MVP of the Lady Griz Insurance Classic and earned all-tournament honors at the Santa Clara Holiday Classic.

Silliker has career highs of 21 points and 12 rebounds.

"Dawn had a very good freshman year and her experience should be a real plus," Selvig said. "She's a good scorer, and we're looking for marked improvement in her defense."

Silliker averaged 21 points and 14 rebounds as a senior at Whitefish High. She was a three-time all-conference and all-state choice and was an honorable mention Converse High School All-American her senior year. She broke 12 school records and is the only female athlete in Whitefish's history to have her uniform retired.

Dawn is an elementary education major. Her parents are Jack and Shirley Silliker of Whitefish. Birthdate: 7-19-66.

KRIS HAASL 52/53

Center . . . 6-2½ . . . Freshman . . . Florence, Montana

Haasl joins the Lady Griz basketball team as a walk-on after an outstanding career at Florence High.

She was an all-conference selection three times and won all-state honors twice. She was also her team's MVP and an alternate to the West squad in the state high school basketball series as a senior.

Haasl won four letters in basketball and two in track.

"Kris has very good size and quickness for a post player," Selvig said. "She had a very good career at Florence and we're happy to see her giving collegiate ball a try here."

The daughter of Jan and Ken Weber of Florence, Kris is a nursing major. Birthdate: 8-15-67.

LISA McLEOD 30/31

Forward . . . 6-1 . . . Freshman . . . Great Falls, Montana

McLeod averaged 20.5 points and 13 rebounds in leading C.M. Russell High to a 19-5 record and a fifth-place finish in the state Class AA tournament last season.

She was a first team all-state selection her junior and senior years. She was also an honorable mention Converse High School All-American and a member of the West squad in the state all-star basketball series last season.

"Lisa is an outstanding athlete," said Selvig. "She has a nice shooting touch and is a very good jumper. We recruited her as a forward, but I think she's grown since last season and could probably fill in at center if we needed her to."

McLeod was also a track standout and was the state runnerup in the high jump last spring.

The daughter of Robert and Irene McLeod of Cody, Wyo., Lisa is a general studies major. Birthdate: 2-28-67.

JEAN McNULTY 24/25

Forward . . . 6-0 . . . Freshman . . . Whitehall, Montana

A three-time first team all-state selection, McNulty averaged 25.5 points and 14 rebounds last season at Whitehall High. She led her team to the state Class B title as a junior and to a fourth place finish in the state tournament her senior year.

She is the all-time leading scorer in the state's prep girls' basketball ranks with 1,762 points.

McNulty was a Converse High School American as a senior and a *USA Today* Honorable Mention All-American her junior and senior years. She was selected to play in the state all-star basketball series, but had to miss it because of an injury.

"Jean, like all the freshmen, has great athletic ability," according to Selvig. "She's a very aggressive and intense competitor and that should help her make the adjustment to college ball. She's a good scorer around the basket and runs the floor well. She also has the tools to be an outstanding defender."

McNulty also excelled in track and was a three-time all-state performer. She was the national AAU age group heptathlon champion in 1983.

Jean is majoring in pre-physical therapy and athletic training. Her parents are Bill and Peggy McNulty of Whitehall. Birthdate: 1-27-67.

LINDA MENDEL 34/35

Center . . . 6-1 . . . Freshman . . . Malta, Montana

Mendel was a two-time first team all-state player at Malta High, averaging 16.2 points and 14 rebounds her senior season.

Linda led her team to a 24-3 record and a third-place finish in the 1984 state Class B tournament.

She played for the East squad in the state high school all-star basketball series this summer.

"Linda really came on strong her senior year," Selvig said. "Her biggest assets right now are her athletic ability and her rebounding. She moves very well for her size and I think she could be a good defender as a freshman. She also has great offensive potential."

Mendel was the state champion in the 100-meter hurdles last spring.

The daughter of Eugene and Elaine Mendel of Malta, Linda is majoring in general studies. Birthdate: 8-26-67.

ANJI PRICE 10/11

Guard . . . 5-7 . . . Freshman . . . Missoula, Montana

A walk-on from Missoula's Sentinel High, Price will give the Lady Griz extra speed and quickness at the point guard position.

She averaged 12.5 points, 6 rebounds and 4 assists last year, earning all-state and all-conference honors. She was chosen as her team's best defensive player her sophomore and senior seasons.

"Anji has good lead guard skills and will give us some added speed and quickness," said Selvig. "She a very good player at Sentinel and is a hard worker. We're happy to have her in our program."

Price was also an all-conference volleyball player and a member of Sentinel's state championship team last season.

Anji is a business major. Her parents are Dave and Rae Price of Missoula. Birthdate: 1-21-67.

University of Montana

The University of Montana boasts a proud tradition of academic excellence in teaching, research and service. Located in Missoula on 201 acres at the base of Mount Sentinel, UM was chartered February 17, 1893. Since then, it has grown from 50 students and seven faculty members to a present enrollment of 9,300 and about 450 full-time state supported faculty positions.

Bachelor's degrees are available in 58 fields, and associate of arts degrees may be

obtained in two areas. UM offers master's degrees in 54 programs and doctoral degrees in 13.

The College of Arts and Sciences is the core of the University. It includes a full range of programs and courses in the life sciences, physical sciences, social sciences and humanities.

Seven professional schools complete the academic program—Business Administration, Fine Arts, Journalism, Education, Forestry, Law and Pharmacy and Allied Health Sciences.

Missoula is in the midst of an area noted for its spectacular scenery and recreational opportunities. It is within easy driving distance of four wilderness areas and Glacier and Yellowstone National Parks. The natural surroundings offer excellent opportunities for hunting, fishing, backpacking, river floating, camping and other recreational pursuits. Two winter ski areas are within minutes of the University, and several others are only a couple of hours away by car. UM owns and operates a golf course near the campus.

Downtown Missoula is within blocks of the University and is easily accessible to UM students. Other parts of the city can be reached by using Mountain Line, the city's mass transit system.

MONTANA . . .

LAST OF THE BIG TIME SPLENDORS
